Philadelphia, PA 19126

The Korean American Foundation (KAF) is an organization committed to the nurturing and development of Korean-American leaders tomorrow. Since our establishment, our primary objective has been to deliver program excellence to a diverse range of participants in the Korean-American community. Our extended vision is to support and plant the seeds for our future they will have the full capacity and confidence to make a difference in the American mainstream. Moreover, our mission is to promote the leadership skills necessary to enhance the capabilities of 2nd generational Korean-Americans to address local and global challenges.

This year, our organization will provide scholarships in the amount of \$1,000 to thirty recipients with exceptional leadership potential and a strong devotion to careers in public service, nonprofit, or advocacy sectors in Washington, D.C. or State Capitol. Those who are qualified are strongly encouraged to apply.

Qualifications are as follows:

- Must be of Korean descent and pursuing a career in public service
- Must be undergraduate, graduate, or post-graduate student
- Must have a 3.0 cumulative GPA
- Must demonstrate financial need (Application are required to provide a copy of his or her FAFSA Student Aid Report)

Please provide the following along with your Application:

- Resume or a Curriculum Vitae (CV)
- A copy of the Student Aid Report (FASFA)
- Two recommendations (One from a teacher and one from an outside organization community or church leaders, previous employers, or a school organization sponsor)
- An official transcript inserted in a sealed envelope
- Two copies of your passport picture

If you cannot send the application and the required document by mail please ask for the online application and send in the application to leekathleen.m@gmail.com but recommendation letter and the pictures must be sent separately by mail.
